Temporary placement firms were ranked by total number of workers placed in the greater San Fernando Valley in 2007.

All information provided by representatives of the companies themselves, with the exception of AppleOne, On Assignment, Kelly Services, & Robert Half, whose information was compiled using public filings and corporate websites.

\*The numbers for Kelly Services reflect company wide figures, and include permanent placement requisitions, which is why we chose not to rank them this year.

\*\*The numbers for Robert half International also reflect company wide figures, and include permanent placement requisitions, which is why we chose not to rank them this year as well.
